47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like sonic, it gives me more options when choosing internet. I like the competitive pricing and different features sonic has to offer. Please keep the internet open for all internet providers. As soon as they have fiber I will switch to fiber. But they should continue serving dsl to those who want it.
